REASONS FOR ALLOWANCE

1. Claims 1-2, 4-9, 12-16, 18-21, 23, and 25-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The above-mentioned claims are allowable over the Cited Prior Art (CPA) of record, because the CPA does not disclose or suggest all of the limitations that are present in the independent claims 1, 8, and 15, and the subsequent dependent claims.
4. The CPA does not teach or suggest a method, computer-readable medium, or apparatus, which, when a user does not have sufficient privileges to run an installation program, recovers a set of user credentials that are associated with sufficient privileges to run an installation program from the software installation package, and then authenticating to the computer using the recovered set of credentials, where the installation program authenticates itself to the computer using the set of user credentials.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kaveh Abrishamkar whose telephone number is 571-272-3786. The examiner can normally be reached on Monday thru Friday 8-5.
